Mrs Manley.

Here is the complete schedule for our games in N.C. It might look a little tough for spring games but never the less the ball players have no sympathy for Club owners. They will ask for advances ^{in salary} don't want to come to spring practice etc. So we had better try to get as much money as we can and play when we can get games as there will be days when we are idle. Then again I want to try out spots in N.C. which might pay as we have to use our Bus to make up the mileage.
